

Ahmed Mohammed Taqi Hussien Almosawi

احمد محمد تقي حسين احمد الموسوي

Professor

ACADEMIC TITLES

2023-02-28 Professor

ADMINISTRATIVE POSITIONS

2020-06-01 - Present Head of pharmacology department
2020-06-01 - Present Head of pharmacology department
2020-06-01 - Present Head of pharmacology

PUBLICATIONS (10)

1. Comparison of Deferasirox (Exjade R) and Deferoxamine (Desferal R) Effects on Iron Overload in Patients with Blood Transfusion-Dependent β -Thalassemia Major in Iraq
Azerbaijan Pharmaceutical and Pharmacotherapy Journal 22 (2), 160-163, 2023 | 2023 | Cited: 1
2. The role of influenza vaccination in the COVID-19 infection: Impact on incidence and severity in Iraq
Journal of Applied Pharmaceutical Science 12 (8), 130-136, 2022 | 2022 | Cited: 4
3. Effects of emodin and salvianolic acid on carbon tetrachloride (CCl₄)-induced lung fibrosis in mice model
Int J Drug Deliv Technol 11 (4), 1269-1274, 2021 | 2021 | Cited: 24
4. 25. Effects of Emodin and Salvianolic Acid on Carbon Tetrachloride (CCl₄)-induced Lung Fibrosis in Mice Model Haitham M. Kadhim, Ahmed M. T. Al Mosawi
International journal of drug delivery technology 11 (4), 2021 | 2021
5. Comprisal effect of probiotics and antibiotics on biofilm forming coagulase negative staphylococci clinical isolates
plant archives 20 (2), 3002-3009, 2020 | 2020
6. The use of distortion product otoacoustic emissions (DPOAE) records to estimate effect of vitamin B complex on changing severity of tinnitus
Annals of medicine and surgery 36, 203-211, 2018 | 2018 | Cited: 10
7. Antipsoriatic effect of oral and topical milk thistle in imiquimod induced psoriasis in rats
Journal of international academic research for multidisciplinary 4 (6), 1-10, 2016 | 2016
8. The role of different antioxidant agents in human infertility and assisted reproductive techniques
IISTE, 2015 | 2015 | Cited: 7
9. Effect of administration of apple juice on brewer's yeast-induced pyres is in rats
Group 1 (2h), 3h, 2015 | 2015
10. ROLE OF VITAMIN E, L-CARNITINE AND MELATONIN IN MANAGEMENT OF β -THALASSEMIA MAJOR
Iraqi Journal of Medical Sciences 12 (1), 2014 | 2014 | Cited: 2
