

Hiba Taqi Rasheed

هبة تقي رشيد عزيز الهماشي

Assistant Professor

ACADEMIC TITLES

2023-05-02

Assistant Professor

PUBLICATIONS (8)

1. **Detection of the antibacterial activity of Lactobacillus CFS against Proteus bacteria**
2026, 322-308, (6) 11 مجلة جامعة الكوت | 2026
2. **Article Review: Gingivitis, Etiology and Prevention**
Texas Journal of Medical Science 14, 137-140, 2022 | 2022 | Cited: 2
3. **Article review: microbial cellulases: types and applications**
Annals of the Romanian Society for Cell Biology 26, 2962-2967, 2022 | 2022 | Cited: 2
4. **Purification and characterization of bacteriocin from Lactobacillus acidophilus ht1 and its application in a cream formula for the treatment of some skin pathoges.**
Iraqi journal of agricultural sciences 51 (5), 1381, 2020 | 2020 | Cited: 7
5. **A probiotic application of Lactobacillus acidophilus HT1 for the treatment of some skin pathogens.**
Iraqi Journal of Agricultural Sciences 51 (6), 1559, 2020 | 2020 | Cited: 18
6. **Prevalence and Antimicrobial Susceptibility of Methicillin-Resistant Staphylococcus aureus (MRSA) from Outpatients with Chronic Rhinosinusitis in Al-Kut/Wasit Province/Iraq**
Journal of Bacteriology & Parasitology 6 (3), 1, 2015 | 2015 | Cited: 9
7. **Virulence characterization of Staphylococcus aureus isolates from patients with chronic sinusitis**
(IJST) intrnational journal for science and biotechnology 9 (2), 66-71, 2014 | 2014
8. **Analyzing the Impact of a Formula Including a Partial Purified Aspergillus Niiger Protease**
