PUBLICATIONS (4)

1. **Structural, Topography and Optical Properties of Bismuth doped CuO films prepared by chemical spray pyrolysis**
International Journal of Mechanical Engineering 7 (1), 2030-2041, 2022 | 2022 | Cited: 1
2. **Structural and optical constants of Ba doped Fe2O3 thin films deposited by chemical spray pyrolysis method**
Int. J. Mech. Eng. 7 (1), 2019-2029, 2022 | 2022 | Cited: 1
3. **Knowledge about risk and protective measures related to diagnostic radiation among medical staff in teaching hospitals (Wasit province)**
Wiad Lek 74 (9), 2345-2351, 2021 | 2021 | Cited: 18
4. **Sensitivity of Cadmium Sulfide under the Influence of Both Substrate Temperature and Gas Operation**
Nano Biomed. Eng 13 (4), 425-432, 2021 | 2021 | Cited: 1
