

Iqbal Abed Fahad

اقبال عبد فهد

Associate Professor

PROFILE

General Medicine and surgery/Gynecology and Obstetrics/Infertility and Clinical Reproduction

ACADEMIC TITLES

2025-03-25 Associate Professor

TEACHING EXPERIENCE

Head of Obstetrics and Gynecology care 1 module

Wasit University-College of Medicine

2017-01 - Present

COURSES

- Obstetrics and gynecology care 1 (501)
- Obstetrics and gynecology care2 (601)
- Reproductive system and consultation skills and foundation (300)
- Infection and immunity 2 (304)

ADMINISTRATIVE POSITIONS

2025-11-04 - Present Head of department of gynecology and obstetrics

PUBLICATIONS (1 7)

1. Immunohistochemical Evaluation of Ki-67 and PTEN Expression in Endometrial Adenocarcinoma: Correlation with Histological Grade and Prognostic Implications
Sawa Medical Journal 2 (1), 20-23, 2026 | 2026
2. MENTAL HEALTH STATUS OF MENOPAUSAL WOMEN ATTENDING GYNECOLOGY OUTPATIENT CLINIC IN AL-ZAHRAA TEACHING HOSPITAL
INTERNATIONAL JOURNAL 7 (1), 06-09, 2025 | 2025
3. Aetiology of urinary tract infection: A review
International Journal of Medical and All Body Health Research 5 (3), 01-07, 2024 | 2024
4. Comparative Study for the efficacy of conventional and liquid-based pap smear methods in screening of cervical intraepithelial neoplasia (CIN) In Al Kut City
INTERNATIONAL JOURNAL 5 (3), 66-71, 2024 | 2024
5. ABO blood group impact on early follicular stimulation hormone level among subfertile women
International Journal of Gynaecology Sciences 6 (2), 43-47, 2024 | 2024
6. Effect of intrauterine flushing of human chorionic gonadotropin prior to intrauterine insemination in sub fertile women on clinical pregnancy rate, comparative study
International Journal of Gynaecology Research 6 (1), 50-57, 2024 | 2024
