Ihsan Abbas Jassim

احسان عباس جاسم هاشم

Professor

PROFILE

Ihsan Abbas Jassim is a Professor of Urban Planning, a title he attained in 2023. He completed his doctoral studies in Urban Planning in Baghdad in 2013. Professor Jassim's research interests lie at the intersection of urban planning, urban design, urban sustainability, and urban transportation, with a particular focus on developing resilient and sustainable solutions for modern urban environments.

Throughout his academic career, Professor Jassim has made significant contributions to his field, authoring 39 publications. His research is widely recognized and cited within the global scholarly community, as evidenced by a Google Scholar h-index of 14 with 463 citations, alongside a Scopus h-index of 9 with 191 citations. Through his dedicated research and academic leadership, Professor Jassim continues to influence contemporary discourses on sustainable urban development and the optimization of urban transportation infrastructure.
