

May Naji Kadem Alkhanag

مي ناجي كاظم شكر الخناق

PUBLICATIONS (7)

1. **Molecular and Microscopic Diagnosis of Entamoeba histolytica in Human Stool Samples from Al-Kut, Iraq**
Sumer Journal for Pure Science 4 (2), 2025 | 2025 | Cited: 1
2. **EFFECT OF COPPER NANOPARTICLES ON CRYPTOSPORIDIUM OOCYSTS IN VIVO**
Journal of Global Health Reports 6 (2), 31-37, 2024 | 2024
3. **Molecular study of Cryptosporidium spp. among diarrheal patients at Wasit province, Iraq**
AsPac J Mol Biol Biotechnol 30, 24-31, 2022 | 2022 | Cited: 4
4. **Prevalence of Cryptosporidium spp. among Patients with Diarrhea at Wasit Province/Iraq.**
Indian Journal of Forensic Medicine & Toxicology 16 (1), 2022 | 2022 | Cited: 4
5. **Effect of oxidase sliver nanoparticles in Cryptosporidium SSP. Oocysts in vitro**
Int J Health Sci 6, 6887-94, 2022 | 2022 | Cited: 2
6. **Molecular identification and phylogenetic tree analysis of Enterobius vermicularis from Children in Wasit City of Iraq**
Indian Journal of Natural Sciences 8, 14172-14179, 2018 | 2018 | Cited: 2
7. **Phylogenetic Study of Echinococcus granulosus based on COX1 and NAD1 gene isolated from human in Wasit province-Iraq**
