P U B L I C A T I O N S (9)

1. **Biochemical and histopathological study of the toxic effects of electronic and conventional cigarette smoke on the liver of rats**
IJST 2 (5), 7-15, 2023 | 2023 | Cited: 3
2. **Review Article: Effect Anticancer Drug of Histological Alteration and Improvement their Effects by Natural Antioxidants**
Journal for Research in Applied Sciences and Biotechnology 2 (4), 6, 2023 | 2023
3. **Histological and biochemical effect of Sodium beta hydroxy butyrate, Potassium hydroxyl buterat and Calcium beta hydroxy butyrate together to the tissue of liver of the rats**
Scientific Research Journal of Medical Case Reports 3 (Iss-3 (May-Jun, 2023 ..., 2023 | 2023
4. **World of Science: Journal on Modern Research Methodologies**
2023
5. **Morphological and Histological effect induced by each of Cefotaxime, Dexamethazon and mixture of them to the stomach, liver, kidney and lung in rats**
Drug Invent. Today 11 (12), 3313, 2020 | 2020 | Cited: 6
6. **Morphological and histological effect induced by cefotaxime, dexamethazon and mixture of cefotaxime and dexamethazon to the stomach, liver, kidney and lung of the rats ...**
drug invention today 11 (12), 6, 2019 | 2019
7. **Morphological and histological effect induced by cefotaxime, dexamethazon and mixture of cefotaxime and dexamethazon to the stomach, liver, kidney and lung of the rats**
2019 | Cited: 1
8. **Morphological and histological study by induced of piroxicam on the kidney, liver, and stomach in the rats**
drug invention today 12 (11), 6, 2019 | 2019 | Cited: 1
9. **A comparative histological study of ceca and rectum in common kestrel (Falco tinnunculus) and white-eared bulbul (Pycnonotus leucotis) according to their food type**
Iraqi J. Vet. Med 40 (2), 48-56, 2016 | 2016 | Cited: 8
